- Donations will be accepted Tue, Wed, Fri, and Sat from 9:30a-12:00p. We will have an additional donation hour from 1:00-2:00p on Tue, Wed, and Fri.

We are getting ready for our End of Season reconfiguration! The Family Store will be closed July 31 through August 3 to complete the restock. MAKING A DIFFERENCE

A young man came to Seton Center determined to make drastic changes in his life. He partnered with our staff for three straight days of focused case management, keeping every appointment and following all the steps needed. Case Manager Kelly Overholtzer accompanied him as he entered a facility to begin the hard work of putting his life back together.

You make turnarounds like this possible through your generosity. THANK YOU FOR YOUR GIFTS!

COVID UPDATE

It's good to feel the breeze on our faces again! In accordance with CDC guidelines, masks are not required in the Outreach Office or Family Store if you are fully vaccinated. Because we serve a vulnerable population, we ask that unvaccinated individuals continue to wear a mask. Clients and customers are encouraged to keep using the hand sanitizer stations and to avoid coming in if you are feeling unwell.

CONGRATULATIONS

The Frederick County Chamber of Commerce's Nonprofit Alliance presented Seton Center Case/Program Manager Kelly Overholtzer with the 2020-2021 Touching Lives Awards! The Touching Lives in Frederick County Award offers a moment of public recognition for the "unsung heroes," our non-management staff members who have demonstrated outstanding involvement and commitment to touching the lives of others. Please join us in congratulating Kelly! We are proud to have her on our team!
